

## **EMPLOYABILITY GRADE**

All students begin with a 100% grade.

### **HOW POINTS ARE DEDUCTED**

Five points are deducted for every instance a student displays a behavior that would be considered unemployable according to the tardy and SRC categories, is not prepared for class or doesn't follow directions. **Once a student has lost points, he/she is unable to earn any points back for that marking period.**

**With each new marking period, students are given a 100% employability grade to start.** This allows them the opportunity to evaluate their previous habits, set goals and make any necessary improvements.

### **EMPLOYABLE STUDENTS:**

#### **Respect the Learning Process**

Students help maintain a safe environment for learning by demonstrating respect for themselves, the teacher, and their peers. Students are cooperative.

#### **Follow Directions**

Doing what the teachers asks of you at all times. Participating in class, taking notes, working on assignments, paying attention and much more are all examples of following directions.

#### **Being Prepared**

Being prepared means having assigned homework completed, textbook, writing utensils, and any other materials the teacher deems necessary for class.

#### **Punctuality**

All students must be to class on time. Students should be seated in their chair with the proper materials out and ready to go at the start of each class.

**Total = 100 points (100%)**
